8) The detailed procedure to be followed requires to be clearly prescribed. The entertainment of a Revenue Inspector depends upon a number of Panchayets giving their consent. They cannot be expected to give their consent unless they have definite information of the amount payable by them.

9) If the amount ~~they~~ that will have to pay is a percentage of the collections, there will be no difficulty about their giving the consent. But if, as proposed, a portion of the cost of establishment is to be paid by ~~Government~~ them, such amount will be indefinite (as it will depend upon the total number of Panchayets that give their consent) and it will be difficult for ~~the~~ an individual Panchayet ~~concerned~~ to anticipate what ~~their~~ its liability will be and to give ~~their~~ its consent to the arrangement.

10) If a working arrangement is proposed and if the proposal does not involve any extra cost to Government, there will be no objection to the entertainment of additional Revenue Inspectors, but whether in such cases the usual potgi payable to the village servants should not be correspondingly reduced is a point for consideration.

2. The Deputy Commissioner will also

obtain beforehand, the resolutions of the Village Panchayets concerned in the Taluk or tract concerned which would require the services of the Staff, agreeing to pay the proportionate cost of the Staff, fixed by the Deputy Commissioner.

3. As soon as the staff is sanctioned by the Revenue Commissioner, the Deputy Commissioner will call upon the Village Panchayets to deposit in the Taluk Treasury the proportionate cost for one quarter. This proportionate cost to be so deposited, will, in the first instance, be worked out on the recoverable demand of the Village Panchayets concerned and at the end of each quarter, a similar deposit should be made.

4. The staff will be entertained by the Deputy Commissioner only after the amounts are deposited by the Village Panchayets as above.

5. After the period of sanction is over, the actual cost of the staff in proportion to the amounts actually collected, will be calculated and charged off to the several Village Panchayets; the excess, if any, over the actual cost deposited by any Village Panchayet will be refunded to it, while the Village Panchayets that has paid less in the first instance, will be required to make up the deficiency.

6. By this procedure, there will be no necessity for the Government to advance any money in the beginning for the entertainment or the establishment and its recoupment later on from recovery by Village Panchayets Further, the Village Panchayets will be ultimately

ultimately paying in proportion to their collections and they will also have an idea of what amount they may have to pay for the establishment.

7. In regard to the question of reducing potgi to Village Officers where the special staff are employed and paid for, it may be noted that the Special Revenue Inspectors would also need the services of the Village Officers for collection work. Though the work of the Village Officers, where they are entrusted with collection work of the Village Panchayet Taxes, may be facilitated to some extent by the appointment of Special Revenue Inspectors, yet the reduction of potgi correspondingly need not be made, as otherwise, the Special Revenue Inspectors may not receive the willing co-operation of the Village Officers and be able to show good progress in the collection work.

22 (1) The Accounts procedure suggested by the Revenue Commissioner may be approved with the modifications suggested by the Comptroller. According to the revised procedure, the recoveries from the Panchayets will be credited directly under the Revenue head and provision for the cost of the temporary establishment will have to be made under the service head " 1 Land Revenue".

(2) In para 5 of the Revenue Commissioner's note, it has been stated that after the period of sanction is over the actual cost recoverable from each Panchayet will be calculated, the excess and short recoveries being adjusted. This procedure is likely to lead to unnecessary correspondence and confusion. The simpler arrangement will be to calculate the cost either on a percentage basis (with reference to the collections) as is done in respect of execution of decrees of the Co-operative department or in proportion to the total demand to be collected, ignoring short or excess recoveries, especially of petty sums (say less than Rs. 5/-).

(3) A pro-forma account has however to be maintained in the Taluk office for comparing the cost of the special agency with the recoveries made for meeting it.

will not be put to any expenditure on this account, I therefore request that I may be generally empowered to appoint such temporary staff at the cost of Village Panchayets on requisitions received from the Deputy Commissioners. I may mention that I am exercising similar power to appoint Special Revenue Inspectors for execution of Cooperative Societies decrees under Government Order No.D.11228-38/C.S 59-25-5 dated 18th June 1937.

SIR,

Adverting to your Notes of Inspection of the Arkalgud Taluk Office in January 1932 observing that a special Panchayet Inspector may be appointed to bring the Village Panchayet work up-to-date, I have the honour to forward herewith a report from the Sub Division Officer, Hassan, together with the connected records from which it will be seen that 14 village Panchayets have already agreed to bear the pro-rata cost of Special Revenue Inspectors to collect the arrears and otherwise put Panchayet work in order. I have issued instructions to the Amildar to obtain the resolutions of the other Village Panchayets where the arrears exceed Rs. 200/- each agreeing to pay similar contribution.

In the circumstances, I request that two Village Panchayet Inspectors on Rs. 50/- + Rs. 10/- (allowance) and two peons on Rs. 13/- each, may be appointed temporarily from 1-7-1932 for one year to collect the heavy arrears and to organise the Village Panchayets in the Arkalgud Taluk on proper lines.

SIR,

Adverting to your docket No. C.4526/31-32 dated 26th July 1932, requesting me to furnish information as to whether the specia staff of two Revenue Inspectors sanctioned for Village Panchayet work in the Hassan Taluk has been employed and if so, what progress has been achieved so far by them, I have the honour to state that Messrs S.Peddanna and D. Ananthiah joined duty on 11-5-1932 and 13-6-1932 respectively. It is much too early to consider the results of their work but I may state that they have collected betwëë them more than half the total collections of the Talukx for the whole year. Since the Panchayet work is not quite satisfactory in all the Taluks, special Revenue Inspectors will have to be appointed to bring it up to mark, their cost being debited to the several such panchayets as avail themselves of their services. I request you to be so good as to permit me to appoint requisite special staff in such of the Taluks as send concrete proposals and resolutions of the Panchayets agreeing to pay their quota of the cost thereof. The Amildar of Arkalgud Taluk and the Deputy Amildar of Alur have already submitted their proposals.

2. As soon as I am authorised, I shall appoint the neces sary staff forthwith. I request the favour of early orders.

SIR.

I have the honor to state that the Deputy Amildar, Alur Sub Tq has reported that the Village Panchayet work in the Sub Taluk has been very much neglected in previous years, as the Revenue Inspectors cannot spare sufficient time from their more important and arduous revenue work, to devote adequate attention to the Panchayets and their work. He states, further, that the arrears amount to about Rs. 18,000/- and the demand in the year to Rs. 5000

The entertainment of a special staff is a crying necessity since without individual attention to all the Panchayets, no progress can be hoped to be made. I recommend therefore that one or two Special Revenue Inspectors on Rs. 50/- plus T.A. of Rs. 10/- may be entertained to recover the arrears and to bring the panchayets into working order, the cost being debited to the several such panchayets as are willing to avail themselves of their services. The resolutions of as many panchayets as possible will be obtained.

I have the honor to be,
Sir,

Deputy Commissioner,
